Auto-Adjustment
Automatically adjusts screen settings for an optimal image, without changing settings manually.

OSD
On-Screen Display (OSD) makes adjusting the display settings quick and convenient.

Total Flat Display
A completely flat display, with absolutely no curvature, generates a truer and less distorted view.

LCD Display Arm
Advanced gas-spring suspension guarantees smooth stable operation, and flexibility of use.

Wall Mount Kit
Mount the LCD display on the wall to save even more valuable desktop space.

LightWeight
Lightweight for easy transport and use.

Cable Management
Built In cable management system promotes a clutter-free and more organized desktop.

Slim Footprint
Slim ergonomic design consumes less space in the work area.

Security Lock
Increase security by anchoring the LCD display to an immovable object. Compatible with Kensington® security locks. (F-17 only)

Optional Accessories

WIRELESS R/F KEYBOARD & MOUSE

LCD DISPLAY ARM

TV TUNER FRAME

WALL MOUNT KIT
